## Newsletter February 2020

Life is for learning.....learn for life

### Next meetir

The next meeting will be on Wednesday 19<sup>th</sup> February at 10 am (meet and greet at 9.45 am) at the Church Hall of Chartwell Co-operating Church located on the corner of Comries Road and Belmont Avenue (opposite Chartwell Mall).

Following the guest speaker's presentation, we have morning tea/coffee and a chance to chat.

### Next speaker

**'O joy unbounded': Gilbert and Sullivan in Australia and New Zealand.**

**Kirstine Moffat** shares her current research on the history of the production, reception, and cultural significance of Gilbert and Sullivan in Australia and New Zealand. She will explore the almost fevered enthusiasm for Gilbert and Sullivan in the 1870s and early 1880s. This popularity has persisted, and Kirstine will also talk about both **the** professional and amateur performances of the operas, as well as the long tradition of Gilbert and Sullivan in schools. Her talk will be interspersed with some familiar tunes from the operas, and she hopes that the audience will be in a singing mood! Kirstine's research is ongoing, so if you have Gilbert and Sullivan stories and memories to share please let her know as she is keen to interview you and draw on your expertise.

**Kirstine** is Associate Professor in the English Programme at the University of Waikato. She has published widely on nineteenth-century New Zealand literature, music, and culture and is the author of *Piano Forte: Stories and Soundscapes from Colonial New Zealand*. She loves teaching New Zealand and Victorian texts and offers a variety of papers on adaptation, dystopian writing, tragedy, and comedy. In 2019 she was the recipient of a University of Waikato Teaching Excellence Award.

## Meet and greet:

## President's report

Best wishes for 2020. I look forward to seeing as many of you as possible at our first meeting with speaker Associate Professor Kirstine Moffat.

The committee held its first meeting recently to discuss plans for the year. With regret we accepted the news that Murray Belchamber has had to resign from the committee and approved the co-option of Colin Williams to take over responsibility for health and safety. We are grateful for Murray's contribution and welcome Colin's willingness to accept the role.

There is still time to register for the U3A trip to Sanctuary Mountain, Maungatautiri on 25 March. This promises to be a fascinating trip with expert guides and is also a chance to meet new members of the organisation. Details are provided elsewhere in the newsletter.

The second half of February brings the iconic Hamilton Gardens Festival of the Arts with two weeks of activities to suit a range of tastes and interests. This is an event not to be missed.

U3A still needs volunteers in a number of areas. Let us know by emailing [hamiltonnzu3a@gmail.com](mailto:hamiltonnzu3a@gmail.com) or speaking to a committee member at a meeting. Some of the tasks are practical, for example, helping with morning teas, putting out and clearing chairs for the meeting. We also desperately need more people to take responsibility for convening interest groups. These small groups are the life blood of U3A but they need someone who will maintain communications with members and with the committee as the group learns together. It is not an onerous role.

Our membership continues to climb which is exciting as new members bring new skills and interests. New members' meetings are planned for early March and early April.

Noeline Alcorn,

February 2020.

## Committee news

### Treasurer

The U3A subscription for 2020 is now due. The amount is \$30 per person. All members of interest groups need to be paid up U3A members.

You will recall that in 2019 we changed the subscription year to match the calendar year. There was a one-off interim subscription for June to December 2019. With the changes now in place, there will be no subs due in June as in the past. From now on subscriptions will be due in February of each year. Thank you for your help in implementing this change.

The \$30 subscription for 2020 may be paid in these ways:

**Our bank account** number is Westpac 03-1559-0030619-00

- **Internet banking** with your name and initial as the reference into our bank account, number as above.
- **Cash** - ask the teller at any Westpac branch to deposit the cash into our account, number as above.
- **Cheque** made out to "U3A Hamilton Inc" and posted to PO Box 1103, Hamilton.
- **Cash** direct to treasurer, Beverley Bell, at the general meeting. Please do not give cash to any other committee members.

**Our webpage** [u3ahamilton.org.nz](http://u3ahamilton.org.nz) has all the information about how to pay subscriptions.

## Transport

Do you need transport to our monthly meetings?

The committee has realised that several of our members have difficulty getting to and from our meetings. In the March newsletter there will be a suggestion on how we can connect hopeful passengers and helpful drivers.

As an alternative you may wish to use the total mobility taxi subsidy voucher scheme. There is information about this scheme on our website.

<https://u3ahamilton.org.nz/total-mobility-scheme/>

## Volunteers

As Noeline pointed out in her message there is a need for volunteers for various roles. In particular the stalwarts who put the chairs out and back at the monthly meetings could do with some assistance. If you would like to help with this job could you please approach Gorham at 9.10 am at the meeting. Thank you.

## Convenors

Two quotes from our website are

- "U3A is a unique organisation of retired and semi-retired people who enjoy learning from each other, sharing their skills and life experiences, mainly through meetings and interest groups."
- "Being a member of a group should be fun, educational and life enriching. If you are a financial member of Hamilton U3A, you can attend monthly meetings and join any interest group that has a vacancy. You may belong to several groups if you choose."

We have groups who need a convenor to continue operating and also potential groups waiting for a convenor in order to be established.

The convenor organizes meeting venues/dates and communication among the group members and provides information for the monthly newsletter from time to time. The convenor does not have to be an "expert" or a "teacher" as groups are usually self-managing." The convenor does not need to teach, or even to create a curriculum.

In some regions, convenors are only allowed in the role it for one year, and then someone else takes a turn. In others, if you want to be part of U3A for more than five years, you must have spent at least one year as a convenor.

U3A Hamilton doesn't have such rules, but with our polite requests, we are not getting enough convenors. **We urgently need members to offer to be a convenor.**

## Outings

A booking has been made at Maungatautiri for Wednesday 25 March. We are offering two guided tours but you will have the option to do only one tour though this will involve some waiting after lunch.
