Mah Jong

The Mah Jong group have settled into our new playing venue at the Waikato Bridge Club. We have the whole room to ourselves with tables and chairs already set up. We have some new members already enjoying playing. In fact, on our last playing day we had three tables of four, which we haven't had for a long time. We are keen to welcome new members as many of our members are now confident at teaching and we have room to accommodate them. We play the Chinese version of Mah Jong which is relatively quick to learn but which still offers plenty of challenges. If you're not sure if this is for you, come along and check us out. We meet every second and fourth Wednesday of each month, from 1 to 3 pm at 56 Brookfield St, Hamilton East.
